Re: Hasbrouck Sand and Gravel

Dear Attorney Angelone:

I am in receipt of the March 26, 2026, letters, checks, and permit requests. Enclosed please find the checks and be advised the permits will not be considered at this time nor is this issue on any upcoming agenda.

The request ignores Ordinance 1 of 2002, which is the Ordinance controlling the two zoning districts in question. This Ordinance was incorporated by reference in the Zoning Ordinance adopted in 2017 and is still in use today.

I suspect this may have been an oversight, but it is the zoning of Oil Creek Township as it exists today.

Sincerely,

April Averill
Zoning Officer
